

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listing of claims in the application:

Claim 1 (currently amended): A computer comprising:

a main board having I/O connectors including one or more data transmission ports mounted thereon; and

a chassis comprising a front panel providing access to the I/O connectors including the one or more data transmission ports and to all components requiring intermittent access provided for the computer.

Claim 2 (original): The computer of claim 1 wherein the components requiring intermittent access provided for the computer include one or more of: removable power supplies, removable drives, removable media drives, and ports for switches.

Claim 3 (original): The computer of claim 1 wherein the front panel provides access to a data drive.

Claim 4 (original): The computer of claim 1 wherein the front panel provides access to a removable drive.

Claim 5 (original): The computer of claim 1 wherein the front panel provides access to a removable media drive.

Claim 6 (original): The computer of claim 1 wherein the front panel includes a vent adapted for passing air to or from the main board.

Claim 7 (original): The computer of claim 1 wherein the chassis further comprises a chassis body.

Claim 8 (currently amended): A computer comprising:

a main board having I/O connectors including one or more data transmission ports mounted thereon; and

a chassis comprising a front panel providing access to the I/O connectors including the one or more data transmission ports and access to each component provided for the computer selected from the group consisting of removable power supplies, removable drives, removable media drives, one or more plugs for external drives and devices, and ports for switches.

Claim 9 (original): The computer of claim 8 wherein the front panel provides access to a removable power supply.

Claim 10 (original): The computer of claim 8 wherein the front panel provides access to one or more plugs for external drives or devices.

Claim 11 (original): The computer of claim 8 wherein the front panel provides access to a port for a switch.

Claim 12 (original): The computer of claim 8 wherein the front panel provides access to a removable drive.

Claim 13 (original): The computer of claim 8 wherein the front panel provides access to a removable media drive.

Claim 14 (original): The computer of claim 8 wherein the front panel includes a vent adapted for passing air to or from the main board.

Claim 15 (original): The computer of claim 8 wherein the chassis further comprises a chassis body.

Claim 16 (new): The computer of claim 1, wherein the one or more data transmission ports comprises an Ethernet port.

Claim 17 (new): The computer of claim 8, wherein the one or more data transmission ports comprises an Ethernet port.
